

Health & Safety Protocols

Dear Valued Guest,

One of our highest priorities is the health, safety, and security of our guests and team members. The following health and safety guidelines represent best practices for our hotel in accordance with the Greek health authorities' guidelines and protocols. These protocols describe specific processes and measures that are designed to make all our guests feel confident when visit us. It is anticipated that these guidelines and protocols will evolve based on the recommendations of public health authorities and must be done in compliance with any law. To learn more read the outlined steps below:

Physical distancing

As recommended, guests will be advised to practice physical distancing by standing at least 2 meters away from other groups of people not traveling with them, including any area where guests or employees' queue. Such areas will be clearly marked for appropriate physical distancing. When applicable, public seating areas will be reconfigured to promote physical distancing.
