Dear valued guest,

We fully understand how the spread of Covid-19 has dramatically affected your life and your intent to execute your travel plans. The global travel community is trying, like everyone, to navigate this extraordinary situation.

Our priority is to treat all our valued guests with the respect you deserve and offer the same or even higher level of service when regular travel flows resume. At the same time, it is our duty to protect – both in health and financially – everyone employed in or dependent on tourism.

We recognize that some of our future guests may feel uncertain about their forthcoming trip. Below you will find useful information for those who already have a reservation for our hotel, but also for those who are currently evaluating to visit us.

- Guests interested to apply for a Voucher by email to reservation@mykonosview.gr, must do preferable before the arrival date of the original booking.
- The Voucher is personal in the name of the initial booking and not transferrable. That means that it can be used in bookings under the name of the guest of the initial booking.
- As soon as you apply your request for a Voucher, subsequently your initial booking will be cancelled, and your respective consent is automatically considered as given.
- All Voucher requests will be replied to you the latest, within the next 7 working days.
➢ As soon as your Voucher request is processed successfully, you will receive a confirmation email with the voucher.

➢ The Voucher you will receive will be of the same value as the initial booking.
